

# Wasted Youth (Michael Brun Remix)

## FLETCHER & Michael Brun

We got a lot of time to get it right  
It feels good to mess it up, maybe don't think about it  
Going late at night, who needs a fantasy?  
Buzzing on Hennessy  
Class like a Kennedy  
And you're my nation, my revolution  
Living right now, well you can call it disillusion Until tomorrow comes  
This is how we run  
So take the good stuff, honey  
The money just won't buy  
Spend it up, up however we like  
Take the good stuff, honey  
The money just won't buy  
Don't try to save us  
Cause we're doing it right  
We are  
We are the wasted youth  
We are  
We are the wasted youth It's my life  
If I'm gonna waste it  
Gonna waste it on you  
It's my life  
If I'm gonna waste it  
I'll be wasted on you  
Look what you did to me  
A rebel born free  
Running wild through the concrete jungle  
Now I can't seem to stay away  
Hell, I know that I'm gonna pay  
But I do it anyway  
You're the ultimate high that I'm tripping on  
You're the edge of the cliff that I'm hanging on Until tomorrow comes  
This is how we run So take the good stuff, honey  
The money just won't buy  
Spend it up, up however we like  
Take the good stuff, honey  
The money just won't buy  
Don't try to save us  
Cause we're doing it right  
We are  
We are the wasted youth  
We are

We are the wasted youth It's my life  
If I'm gonna waste it  
Gonna waste it on you  
It's my life  
If I'm gonna waste it  
I'll be wasted on you I tell myself  
If I'm gonna fall  
It'll be from high places  
Even when it hurts  
At least we loved hard  
Didn't we baby? We are  
We are the wasted youth  
We are  
We are the wasted youth  
We are  
We are the wasted youth  
We are  
We are the wasted youth It's my life  
If I'm gonna waste it  
Gonna waste it on you  
It's my life  
If I'm gonna waste it  
I'll be wasted on you.
