John the Revelator (Boosta Edit)

Depeche Mode

John the Revelator put him in an elevator

Take him up to the highest high

Take him up to the top where the mountains stop

Let him tell his book of liesJohn the Revelator he's a smooth operator

It's time we cut him down to size

Take him by the hand
And put him on the stand

Let us hear his alibisBy claiming God as his holy right

He's stealing a God from the Israelite

Stealing a God from a Muslim, too

There is only one God through and through

Seven lies, multiplied by seven

Multiplied by seven again

Seven angels with seven trumpets

Send them home on the morning trainWell who's that shouting? John the Revelator

All he ever gives us is pain

Well who's that shouting? John the Revelator He should bow his head in shameBy and by, by and by By and by, by and bySeven lies, multiplied by seven

Multiplied by seven again Seven angels with seven trumpets

Send them home on the morning train

Well who's that shouting? John the Revelator

All he ever gives us is pain

Well who's that shouting? John the Revelator

He should bow his head in shame

By and by, by and by, John the Revelator

By and by, John the Revelator

By and by, John the Revelator
