Don't Blame Me

Taylor Swift

Don't blame me, love made me crazy If it doesn't, you ain't doing it right Lord, save me, my drug is my baby I'll be using for the rest of my lifeI've been breaking hearts a long time And toying with them older guys Just playthings for me to use Something happened for the first time In the darkest little paradise Shaking, pacing, I just need youFor you, I would cross the line I would waste my time I would lose my mind They say, "She's gone too far this time" Don't blame me, your love made me crazy If it doesn't, you ain't doing it right Lord, save me, my drug is my baby I'll be using for the rest of my life Don't blame me, your love made me crazy If it doesn't, you ain't doing it right Oh, Lord, save me, my drug is my baby I'll be using for the rest of my lifeMy name is whatever you decide And I'm just gonna call you mine I'm insane, but I'm your baby (your baby) Echoes of your name inside my mind Halo, hiding my obsession I once was poison ivy, but now I'm your daisyAnd baby, for you, I would fall from grace Just to touch your face If you walk away I'd beg you on my knees to stay Don't blame me, your love made me crazy If it doesn't, you ain't doing it right Lord, save me, my drug is my baby I'll be using for the rest of my life Don't blame me, your love made me crazy If it doesn't, you ain't doing it right Oh, Lord, save me, my drug is my baby I'll be using for the rest of my lifeI get so high, oh Every time you're, every time you're loving me You're loving me Trip of my life, oh Every time you're, every time you're touching me You're touching meEvery time you're, every time you're loving me Oh, Lord, save me
