

Cola Song (feat. J Balvin)

Inna

We got that Coca Cola bottle shape, shape, shape
We got that sugar, do you wanna taste, taste,
taste? We take it all around the globe

Baby everywhere we go
Make it hot when mama arrives

Shake, shake, shake

Like oh, you know they want it

Ay, ándale

Oh, you know we got it

Ah, smile we say

Soy Latina baby

Soy Latina baby

Okay, let's party, say ole

Soy Latina y la noche we own it, baby

Okay, let's party, say ole (Ole)

I got that Coca Cola bottle shape, shape, shape

But how much Cola can your body take, take, take

Every time I come around

No, you know it's going down
Make it hot when mama arrives

Shake, shake, shake

Like oh, you know they want it

Ay, ándale

Oh, you know we got it

Ah, smile we say

Soy Latina baby

Soy Latina baby

Okay, let's party, say ole (Ole)

Soy Latina y la noche we own it, baby

Okay, let's party, say ole (Ole)

Entra tranquila, pura Coca Cola, a dar tequila

Hasta Romania, tu sabe que esto es magia

Hoy gusto a Inna, el negocio Web miralias

Entra tranquila, que tu no hace fila
Sabe a cola cola, sabe a vitamina

J to the B, I doubt with a name

You follow my game, you know what way

La noche es de nosotros y hoy venimos a celebrar

La fiesta apenas comienza y la gente y grita (Ole)

No le eche la culpa a Inna que ella solo vino a bailar

Shake out babe, Inna, la combinación mundial

Soy Latina baby

Soy Latina baby

Okay, let's party, say ole (Ole)

Soy Latina y la noche we own it, baby

Okay, let's party, say ole

Ole

Ole
