

# The Birds and the Bees

## Breathe Carolina

I hope you know I swear to god,  
I hope you know that this won't stop.I hope you know I swear to god,  
I hope you know that this won't stop.I hope you know I swear to god,  
I hope you know that this won't stop.  
-God damn, just another heartbreak--CHORUS-  
I swear to god, I won't stop until you're shakin',  
-Trust me baby, you know I want you to-  
And let me slide into you, please baby,  
-And if you're screamin', than I'm screamin' too-  
If you want it let me bring it, let me sneak into your house tonight.  
-Breathe in-  
and I'm coming to these terms that my heart won't beat anymore,  
-I just can't get it-  
Sing along sing if you want, ten more seconds 'til we're through the door,  
And it's a dance party everyone's looking for, been drinkin' tonight,  
And I won't stop, when it's a quarter to four daylight is breakin'-.CHORUS-I'll call you in the  
morning if you think it's right.  
Is it over? Is it over?  
Now at the dance party, everyone looked just right, I played you all night, would you believe  
me, if I told you that I love you, and everyday I felt this way?  
Would you take me to the place you know the one that leaves me all alone?  
Wait right here just for a minute we'll talk a little just about it, we'll take it slow, I won't let you  
go.-CHORUS-  
I swear to god I won't stop until you're shakin',  
And let me slide into you, please baby,  
I swear to god I won't stop until you're shakin',  
And let me slide into you, please baby.
