

# Tentacles (Acoustic)

## Ghost Town

Imagine when your lungs are filling up with liquid.  
Intoxicated poison flowin' through your veins  
It seems like nothing's changed. My purple neck is stating all that I'm against but  
I guess that's how we end up when we're under water Mayday! Mayday! This ship's going down.  
And as your captain, I'm ready to drown  
I'm gonna drown so deep in you  
I'm gonna drown so deep in you This necklace that you've got wrapped around my neck  
Will choke me slowly to my death  
And I'm into that (Whoa Oh).  
These weights are tied up to my legs  
Sinking lifeless has never felt so peaceful  
These waves are crashing all the same  
Water washing through this sea of people This necklace that you've got wrapped around my neck  
Will choke me slowly to my death  
And I'm into that (Whoa Oh Oh). The purple on my neck stating all that I'm against (Whoa) This  
ship is going down  
This ship is going down  
(Oh Oh) Oh... Mayday! Mayday! This ship's going down.  
And as your captain, I'm ready to drown It's been a good run but we're fucked in this town.  
Now I'll close my eyes tight till' we sink to the ground.  
(Whoa)  
This necklace that you've got wrapped around my neck  
Will choke me slowly to my death  
And I'm into that. (Whoa Oh Oh) This necklace that you've got wrapped around my neck  
Will choke me slowly to my death  
And I'm into that. (Whoa Oh Oh)
