

Louisiana Bayou

Dave Matthews Band

no, no, mamma now devil done do-si-do
see two young boys lyin' dead by the side of the road
the coins in their eyes represent the money they owed
no judge or jury ever gonna hear their story told down by the bayou
tryin to play with the 'caine
tryin to play with the 'caine
same old story again
down by the bayou (Louisiana Bayou)
tryin to play with the 'caine
tryin to play with the 'caine
same old story again
Louisiana Bayou Sweet girl daddy done beat that girl like he's insane
Brother can't watch him beat that girl down again
'til late one night cooking up with a couple of friends
Swears his daddy never gonna see another day
down by the bayou
tryin to play with the 'caine
tryin to play with the 'caine
same old story again
down by the bayou (Louisiana Bayou)
tryin to play with the 'caine
tryin to play with the 'caine
same old story again
Louisiana Bayou no, no, mamma now devil done do-si-do
two young boys lyin' dead by the side of the road
shame, shame
oh, it's a shame to lose your way running wild
it's a shame to lose the light that shines (shame, shame)
it's a shame to lose your way as a child
it's a shame to lose your ...
money on the bed, but you ain't got to go
sold your soul just tryin to get overload
no empty pocket gonna keep you from gettin yours
no judge or jury ever gonna hear their story told down by the bayou
tryin to play with the 'caine
tryin to play with the 'caine
same old story again
down by the bayou (Louisiana Bayou)
tryin to play with the 'caine
tryin to play with the 'caine
same old story again
