Jermaine Dupri

Nigga, don't you hate on me, why don't you go and get you some?
Don't you hate on me, why don't you go and get you some?
Nigga, don't you hate on me, why don't you go and get you some?
Don't you hate on me, why don't you go and get you some? Nigga, don't you hate on me, why
don't you go and get you some?
Don't you hate on me, why don't you go and get you some?
Nigga, don't you hate on me, why don't you go and get you some?
Don't you hate on me, why don't you go and get you some? Nigga, don't you hate on me,
motherfucker, go get you some
Get off my dick, bitch, get out my mix and tell me where the real niggas at
Put your blunts in the air, y'all nigga get fried to this
To the to mother
Tell me who the thuggest in this motherfucker
What you niggas really wanna do? Big ballers flossin'
Niggas wanna beat so they got to be talkin'
Oh, let me give them what they say and run 'em in they face
What they say? "Oh nothin'" Buster, hit'em in they shit anyway
That's how we play, stil thuggin' ain't a thing change
Still the same name, love the face
Real, real niggas, that's all I gotta say You fuckin' with the real, you ball to get gusted
Really, the real ain't shit to be fucked wit'
Protected by the niner, when you careful The nigga the trigger finger itchy fixin' to make you
duck the whloe flock
Make a nigga close shop, sho' 'nuff
Showstopper, fuckin' 'em up with diesel
What's pumpin' the shotgun?
Real necessary 'cause all we want is a little respect
That's all we want but nigga, you don't feel me
Krazyie crazy, maybe insane hangin' with JD
Little rip done, slip the clip into the gat, rat-tat-tat, just like that I ain't fixin' to be the bitch to
procastinatin'
Niggas wanna be shippin' me half a cake
Go through whatever drastic measures I hafta take
Make a motherfucker masterbate, the hotter I get the more hate Some of you hoes is overrated
with flows
The salvate'll take 'em to the rehab and get'em re-instated
My lyrical content send other bitches to convents
Pray for me to be deleted but that's nonsense Been the bomb since '74 Aries
I can see how ya nigga be lookin' at me
He want to get in between the sheets

Leave the wallet and the keys for me I ain't persuaded easily but if he spend the cheese for me
 Nigga, we can fuck free frequently
 You study me, but another me could never be sold
 Broke the most 6-0-6-4-4 When niggas'll haul off and hit ya with the sawed off
 Seen plenty motherfuckers fall off with they jaws off
 When I'm finished droppin' 'em al off
 On the west side of Chi, I'm ridin' high Thinkin' of way to make it through the major
 Of the paper chase
 Slidin' by, keep a luger in the chamber ready for danger
 When it's time to die Nigga, don't you hate on me, why don't you go and get you some?
 Don't you hate on me, why don't you go and get you some?
 Nigga, don't you hate on me, why don't you go and get you some?
 Don't you hate on me, why don't you go and get you some? Nigga, don't you hate on me, why
 don't you go and get you some?
 Don't you hate on me, why don't you go and get you some?
 Nigga, don't you hate on me, why don't you go and get you some?
 Don't you hate on me, why don't you go and get you some? See everywhere I go, I feel like
 niggas be tryin' to get me stuffed
 I'm flyin' on out of what? Iced up and all the hoes wanna fuck
 Knockin' bitches and that nigga got cake stacked up, packed up
 Everything I touch, gold and platinum, what? Niggas can't fuck with us
 Like Busta Bust, we dangerous
 And you know that if I peel I got mo'
 Y'all peel, it's gone, that's why the ice grill on When the wheel on by y'all niggas in the corner
 Back and forth, like "Fuck that little guy"
 Don't worry 'bout me, you need to worry
 'Bout yo' goddamn self How you shit on shelf and how you sit around
 Wishin' that a nigga would sign to So So Def
 I'm a A T L A N T alien
 Never been known to play with Can't none of y'all see me, so y'all niggas don't really need to
 say shit
 With all your paper-hatin', paper-hatin' and your bad looks
 What y'all need to do is shut up
 And take heed to what my nigga sayin' in the Nigga, don't you hate on me, why don't you go
 and get you some?
 Don't you hate on me, why don't you go and get you some?
 Nigga, don't you hate on me, why don't you go and get you some?
 Don't you hate on me, why don't you go and get you some? Nigga, don't you hate on me, why
