

# Essentially

## Japanese Breakfast

Ignore me sensually, I won't admit that they were right  
Who was I to judge your brand of loneliness?  
Who was I to think I was someone above desire?  
Love me sexually, love me like someone else's wife  
How is it you fall asleep so easy?  
Who is it you're dreaming of tonight? How lovely essentially (Love, the thing that you can't buy)  
Love me essentially (Hug me 'til I fill up your time)  
Well you got it all wrong if I'd been what you're after  
When you've got it all wrong I can't find what you want I lie awake to reach for the soft sound  
in the night  
Try my best to swallow up the jealousy  
Try to learn to fall hard back in love with all the sad  
Love you essentially (Love, one thing that you can't buy)  
Love you essentially (Hug me 'til I fill up your time)  
When you've got it all wrong I'm finally what you're after  
I got it all wrong, I don't know what I want  
When you've got it all wrong and don't know what you're after  
When you've got it all wrong if I found what you want
