## Jidenna

Oh  
Mmm Mmm MmmBambi, Bambi  
My dear, my dear, my dear  
My dear I want you here  
Don't get too near for there's lions bewareOh Bambi I won't lie  
If I weren't in this spider web of mine  
If grandfather never had seven wives  
Then darling you would be love of my life  
Oh Bambi it's my design  
To run the jungle I must be a lion  
Or be a cheetah but neither is fine  
Don't wanna hurt my dear love of my life  
Bambi, Bambi  
My dear, my dear, my dear  
My dear I want you here  
Don't get too near for there's lions bewareSometimes I hide  
When you FaceTime I text you back a lie  
Cause I'm afraid to look back in your eyes  
I'm terrified you were love of my life  
The woman among the tribe  
They will be jealous of this lullaby  
I'll drink alone in my hotel and cry  
Cause now they know you are love of my lifeBambi, Bambi  
My dear, my dear, my dear  
My dear I want you here  
Don't get too near for there's lions beware  
I wish that we were forever young  
I always knew that this day would come  
The fork in the road where I cannot run  
Between love and many I'm loving one  
I got the wedding invitation Bambi  
I'm happy that he wants to make a family  
But I cannot promise I won't run up in the church  
There screaming your name Bambi  
No one can take you from me Bambi  
No one can take you from me Bambi  
No one can take you from me BambiBambi, Bambi  
My dear I want you here  
Oh baby don't get too near  
No there are lions beware
