

My Way (offaiah Remix)

Calvin Harris

Why wait to say: "At least I did it my way"?
Lie awake, two-faced
But in my heart, I understand
I made my move, and it was all about you
Now I feel so far removed You were the one thing in my way
You were the one thing in my way My way away, away, away
My way
My way
My way Why wait to say: "At least I did it my way"?
Lie awake, two-faced
But in my heart, I understand
I made my move, and it was all about you
Now I feel so far removed You were the one thing in my way
You were the one thing in my way My way away, away, away
My way
You were the one thing in my way My way away, away, away
My way My way away, away, away
My way away, away, away
My way away, away, away

My way away, away, away
