Supercut

Lorde

In my head, I play a supercut of us All the magic we gave off All the love we had and lost And in my head The visions never stop These ribbons wrap me up But when I reach for you There's just a supercutIn your car, the radio up In your car, the radio up We keep trying to talk about us I'm someone you maybe might love I'll be your quiet afternoon crush Be your violent overnight rush Make you crazy over my touch But it's just a supercut of us Supercut of us Oh, it's just a supercut of us Supercut of usSo I fall Into continents and cars All the stages and the stars I turn all of it To just a supercut'Cause in my head (in my head, I do everything right) When you call (when you call, I'll forgive and not fight) Because ours are the moments I play in the dark We were wild and fluorescent Come home to my heart, uh In your car, the radio up In your car, the radio up We keep trying to talk about us Slow motion, I'm watching our love I'll be your quiet afternoon crush Be your violent overnight rush Make you crazy over my touchBut it's just a supercut of us Supercut of us Oh, it's just a supercut of us Supercut of us But it's just a supercut of us Supercut of us Oh, it's just a supercut of us Supercut of us'Cause in my head In my head, I do everything right When you call, I'll forgive and not fight

All the moments I play in the dark Wild and fluorescent Come home to my heart, uh'Cause in my head (in my head, I do everything right) When you call (when you call, I'll forgive and not fight) Because ours are the moments I play in the dark We were wild and fluorescent Come home to my heart, uh'Cause in my head (in my head, I do everything right) When you call (when you call, I'll forgive and not fight) Because ours are the moments I play in the dark We were wild and fluorescent Come home to my heart, uhIn my head, I do everything right In my head, I do everything right
