

# Goes Down Easy

## Van Zant

Oh, yes sir I don't care if it comes in a bottle  
I don't care if it comes in a can  
I don't care if it's stirred or shaken  
Man, could you give me one for both hands? If it goes down easy  
It makes you feel good  
If it goes down easy  
It makes you feel good Sign on the wall said, 'No Dancin' On The Tables'  
She never lets the rules get in her way, no she don't  
She got the whole joint jumpin' and goin' crazy  
She grabbed my hand and danced me right outta the place  
Out of the place  
If it goes down easy  
It makes you feel good  
If it goes down easy  
It makes you feel good Might be one of those fine French wines  
Might be some good ol' down home brew  
Long as we get to have a good time  
Most times anything will do If it goes down easy  
Yeah, it makes you feel good  
If it goes down easy  
It makes you feel good Oh, that sound is sweet to me man  
Sounds good Listen here now  
There are things in life that just keep gettin' better  
Oh, yeah, I said no, but I guess maybe I meant yes  
Hey, she insisted, so I just had to let her  
When it's that smooth who really cares what anybody says, I don't So if it goes down easy  
It makes you feel good  
It makes you feel good  
If it goes down easy  
It makes you feel good If it goes down easy  
(Keep it comin' baby, fill up my glass)  
It makes you feel good  
(It's kickin' in and I like it like that)  
If it goes down easy  
(Maybe we shouldn't, maybe we should)  
It makes you feel good  
(All I know is it makes you feel good) If it goes down easy  
(It makes you feel good)  
It makes you feel good  
If it goes down easy  
It makes you feel good  
(Oh, keep it comin' now) If it goes down easy

(Keep it comin' baby, fill up my glass)  
It makes you feel good  
(It's kickin' in and I like it like that)  
If it goes down easy  
(Maybe we shouldn't, maybe we should)  
It makes you feel good
