

March Into the Sea

Modest Mouse

If food needed pleasing you'd suck all the seasoning off, suck it off
Well treat me like the disease, like the rats and the fleas, ah ha ha, ah ha ha
Bang your head like a gong 'cause it's filled with all wrong
Ha ha ha, clang clang clang If you think you know enough to know you know, you know we've
had enough
And if you think you don't, you probably will
Our tails wagged and then fell off
But we just turned back, marched into the sea Well treat me like the sea, oh-so salty and mean,
ah ha ha, oh ha ha
Well treat me like disease, like the rats and the fleas, ah ha ha ahhh I'll be beating my heart's
record for speeding
I'll be beating the record for heart skipping
In the dark, our tails wagged and then fell off
But we just turned back, marched into the sea
Well we just turned round, marched into the sea Take all that you need like my sign says for
free, till its gone, till it's gone
Well discard whom you please like the leaves off a tree ah-ha-ha, a ha ha
Let's shake hands if you want, but you, both hands are gone, ah ha ha, ha ha Well treat me like
the sea, oh-so salty and mean, ah ha ha
Oh treat me like the sea, oh-so salty and mean, ah ha ha
Well treat me like the leaves, like the rats and the fleas
Bang your head like a gong 'cuz you call it all wrong
Move your tongue, klank klank, klank klank, klank klank, klank klaaaaank Cut me down like
the trees, like the lumber or weeds
Drag me out of the sea and then teach me to breathe
Give me forced health till I wish death on myself
Give me forced health till I wish death on myself Ah ha ha! Ah ha! Ah ha! AH HA!
AHAAAAAH!
Well we all stumbled round tangled up in the cords
From our phones, VCRs and our worldly woes
Ah ha ha, march on, march on, march on, march on
Well, march on!
