

Summer Life (feat. Jake Reese & OT)

Regi

Young hearts rollin' down the highway with nowhere to go
Top down, blastin' Boys Of Summer on the radio
We were barefoot lovers on the beach
The sand beneath our feet
The freckles on your cheeks
But when I close my eyes I can still taste
The sea-salt on your face
Our bodies in the waves
Summer life had us up all night
Singing na na naay, na na nayo
Sunny days took our breath away
Singing na na naay, na na nayo
And we knew that the sun would set
Yeah we knew that it had to end
Those days are gone, now I'm on my own
Singing na na naay, na na nayo
I'm okay because I'll always keep the memories
Tan-lines fade but I won't forget what you meant to me
Yeah we were barefoot lovers on the beach
The sand beneath our feet
The freckles on your cheeks
When I close my eyes I can still taste
The sea-salt on your face
Our bodies in the waves
Summer life had us up all night
Singing na na naay, na na nayo
Sunny days took our breath away
Singing na na naay, na na nayo
And we knew that the sun would set
Yeah we knew that it had to end
Those days are gone, now I'm on my own
Singing na na naay, na na nayo
Summer life had us up all night
Singing na na naay, na na nayo
Sunny days took our breath away
Singing na na naay, na na nayo
Na na naay, na na naay
Na na naay, na na nayo
