

Tristessa

Smashing Pumpkins

Pledged your faith, my heart embraced
Struggle to renew
Blurry mind so hypnotized
Fast enough who Wonder
Where you are
Tristessa Soul takes soul as I take eye
I will wait for you
What you believe, you'll wish to receive
I won't believe in you, to you
Hang on
To your life
Tristessa I love you true
Surely I do
I love you true
Surely I do
Surely I do
Surely I do (no)
Do you ever wake up and find yourself alone?
Do you ever wake up far from home?
What you believe, you'll wish to receive
I won't believe in you
Tristessa
