

Red Lips (feat. Sam Bruno) [Skrillex Remix]

GTA

Ooh, no no no I,
ooh no no no I,
ooh no no no I, No no don't let her smile fool,
don't let her eyes confuse,
red lips always lie. Cause red lips have a filthy price,
thats a murder,
in her paradise.
No no red lips have a filthy price,
thats a murder,
in her paradise Ooh no no no I,
ooh no no no I,
ooh no no no I. Ooh no no no I,
ooh no no no I,
ooh no no no I,
ooh no no no I. No no don't let her smile fool,
don't let her eyes confuse,
red lips always lie. Cause red lips have a filthy price,
thats a murder,
in her paradise.
No no don't let her smile fool,
don't let her eyes confuse,
red lips always lie. Cause red lips have a filthy price,
thats a murder,
in her paradise.
