

If I Had

Eminem

"Life" by Marshall Mathers
What is life?
Life is like a big obstacle
Put in front of your optical to slow you down
And every time you think you've gotten past it
It's gonna come back around and tackle you to the damn ground
What are friends?
Friends are people that you think are your friends
But they're really your enemies with secret identities and disguises to hide their true colors
So just when you think you're close enough to be brothers they wanna come back and cut your
throat when you ain't looking
What is money?
Money is what makes a man act funny
Money is the root of all evil
Money'll make them same friends come back around swearing that they was always down
What
is life?
I'm tired of life
I'm tired of backstabbing ass snakes with friendly grins
I'm tired of committing so many sins
Tired of always giving in when this bottle of Henny wins
Tired of never having any ends
Tired of having skinny friends hooked on crack and Mini Thins
I'm tired of this DJ playing your shit when he spins
Tired of not having a deal
Tired of having to deal with the bullshit without grabbing the steel
Tired of drowning in my sorrow
Tired of having to borrow a dollar for gas to start my Monte Carlo
I'm tired of motherfuckers spraying shit and dartin' off
I'm tired of jobs startin' off at \$5.50 an hour
Then this boss wonders why I'm smartin' off
I'm tired of being fired every time I fart and cough
Tired of having to work as a gas station clerk for this jerk breathing down my neck, driving me
berserk
I'm tired of using plastic silverware
Tired of working at Builder's Square
Tired of not being a millionaire
But if I had a million dollars
I'd buy a damn brewery and turn the planet into alcoholics
If I had a magic wand
I'd make the world suck my dick without a condom on while I'm on the john
If I had a million
bucks
It wouldn't be enough because I'd still be out robbing armored trucks
If I had one wish
I would ask for a big enough ass for the whole world to kiss
I'm tired of being white trash, broke
and always poor

Tired of taking pop bottles back to the party store
I'm tired of not having a phone
Tired of not having a home to have one in if I did have one on
Tired of not driving a BM
Tired of not working at GM
Tired of wanting to be him
Tired of not sleeping without a Tylenol PM
Tired of not performing in a packed coliseum
Tired of not being on tour
Tired of fucking the same blonde whore after work in the back of a Contour
I'm tired of faking knots with a stack of ones
Having a lack of funds and resorting back to guns
Tired of being stared at
Tired of wearing the same damn Nike Air hat
Tired of stepping in clubs, wearing the same pair of Lugz
Tired of people saying they're tired of hearing me rap about drugs
Tired of other rappers who ain't bringing half the skill as me
Sayin' they wasn't feeling me on "Nobody's As Ill As Me"
And I'm tired of radio stations telling fibs
Tired of JLB saying "Where Hip-Hop lives" But if I had a million dollars
I'd buy a damn brewery and turn the planet into alcoholics
If I had a magic wand
I'd make the world suck my dick without a condom on while I'm on the john If I had a million
bucks
It wouldn't be enough because I'd still be out robbing armored trucks
If I had one wish
I would ask for a big enough ass for the whole world to kiss Y'know what I'm saying?
I'm tired of all of this bullshit
Telling me to be positive
How am I 'posed to be positive when I don't see shit positive?
Y'know what I'm saying?
I rap about shit around me, shit I see
Y'know what I'm saying?
And right now I'm tired of everything
Tired of all this player-hating that's going on in my own city
Can't get no airplay
Y'know what I'm saying?
But hey, it's cool though
Y'know what I'm saying?
I'm just fed up
That's my word
