

# It's My Time

Kelly Price

It's my time to rise  
It's my time to shine  
It's my time to live  
It's my time to fly  
It's my time  
It's my time I can see it  
I can feel it  
Time has come now to refill it  
I've been waiting for a long time  
I gotta do it  
I won't let nothing hold me down  
Gotta do it  
'Cause I might not get another chance  
I believe it  
That I want it, I can have it  
I believe it  
Got me falling,  
[.] I can do it  
I think I'll tell myself again  
That I can do it  
And I am not gonna stop till I win  
It's my time to rise  
It's my time to shine  
It's my time to live (It's my time to live)  
It's my time to fly  
It's my time (time)  
It's my time she is a diva, yeah  
she is a diva full of drama  
Don't believe  
Everything that people saying  
They got you twisting  
So much fiction, so much bad  
They got you twisted  
And nobody ain't got time for that  
See my moment has now arrived  
And I won't let it pass behind  
It's my time, yeah  
It's my time to rise (oh, yeah)  
It's my time to shine (ohh)  
It's my time to live (my time to live)  
It's my time to fly  
It's my time

It's my time I decided that I was born to be  
Deep in love and happy  
And my best days are still in front of me  
Everything alright  
Now, it's time for me It's my time to rise  
It's my time to shine  
It's my time to live (it's my time to live)  
It's my time to fly  
It's my time  
It's my time It's my time to sing (it's my time)  
It's my time to see  
It's my time to be  
It's my time to show  
It's my time (my time)  
It's my time (It's my time to) It's my time to rise (It's my time to rise)  
It's my time to shine (It's my time to shine)  
It's my time to live (it's my time to live)  
It's my time to fly  
It's my time  
It's my time
