Sweetness

Jimmy Eat World

```
If you're listening
          woh oh oh oh oh
             sing it back
           woh oh oh oh oh
    string from your tether unwinds
    (string from your tether unwinds)
               woh oh
               woh oh
        up and outward to bind
        (up and outward to bind)
               woh oh
               woh oh
          i was spinning free
          woh oh oh oh oh
with a little sweet and simple numbing me
           Are you listening
          woh oh oh oh oh
              sing it back
           woh oh oh oh oh
       so tell me what do i need
        (tell me what do i need)
               woh oh
               woh oh
     when words lose their meaning
    (when words lose their meaning)
               woh oh
               woh oh
          i was spinning free
          woh oh oh oh oh
with a little sweet and simple numbing me
         stumble 'til you crawl
          woh oh oh oh oh
     sinking into sweet uncertainty
         Ooh ooh ooh ooh
         (aah ahh ahh ahh)
         ooh ooh ooh ooh
         (aah ahh ahh ahh)
         ooh ooh ooh ooh
```

```
(aah ahh ahh ahh)
            ooh ooh ooh ooh
            (aah ahh ahh ahh)
              (are you listening)
             (are you listening)
              if you're listening
             woh oh oh oh oh
              if you're listening
              (are you listening)
                 sing it back
              woh oh oh oh oh
              if you're listening
              (are you listening)
            i'm still running away
           (i'm still running away)
                   woh oh
                  (woh oh)
                   woh oh
                  (woh oh)
    i won't play your hide and seek game
          (your hide and seek game)
                   woh oh
                  (woh oh)
                  woh oh
             i was spinning free
             woh oh oh oh oh
  with a little sweet and simple numbing me
             what a dizzy dance
             woh oh oh oh oh
 this sweetness will not be concerned with me
            (woh oh oh oh oh)
no the sweetness will not be concerned with me
            (woh oh oh oh oh)
no the sweetness will not be concerned with me
            (woh oh oh oh oh)
no the sweetness will not be concerned with me
                (woh oh oh)
```
