

# Cannonball

Lea Michele

Break down  
Break down  
Break down I was scared to death I was losing my mind (Break down)  
I couldn't close my eyes I was pacing all night, (Oh, no!)  
I think I found the light at the end of the tunnel (and my doubts)  
I couldn't find the truth I was going under But I won't hide inside  
I gotta get out, gotta get out, gotta get out, gotta get out  
Lonely inside and light the fuse  
Light it now, light it now, light it now  
And now I will start living today, today, today  
I close the door  
I got this new beginning and I will fly  
I'll fly like a cannonball  
Like a cannonball  
Like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonball Freedom  
I let go of fear and the peace came quickly  
Freedom  
I was in the dark and then it hit me  
I chose suffering and pain in the falling rain  
I know, I gotta get out into the world again But I won't hide inside  
I gotta get out, gotta get out, gotta get out, gotta get out  
Lonely inside and light the fuse  
Light it now, light it now, light it now  
And now I will start living today, today, today  
I close the door  
I got this new beginning and I will fly  
I'll fly like a cannonball  
Like a cannonball  
Like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonball Break down  
I was scared to death I was losing my mind  
Break down  
I gotta get out into the world again And now I will start living today, today, today  
I close the door  
I got this new beginning and I will fly  
I'll fly like a cannonball  
Like a cannonball  
Like a cannonball  
I'll fly, I'll fly, I'll fly like a cannonball  
Like a cannonball  
Like a cannonball

I'll fly, I'll fly, I'll fly like a cannonball
