Tell It to My Heart

Taylor Dayne

I feel the night explode When we're together Emotion overload In the heat of pleasureTake me I'm yours Into your arms Never let me go Tonight I really need to knowTell it to my heart Tell me I'm the only one Is this really love or just a game? Tell it to my heart I can feel my body rock Every time you call my name The passion's so complete It's never ending As long as I receive The message you're sendingBody to body Soul to soul

Always feel you near

So say the words I long to hearTell it to my heart

Tell me I'm the only one

Is this really love or just a game?

Tell it to my heart

I can feel my body rock

Every time you call my name

Love, love on the run

Breakin' us down

Though we keep holdin' on

I don't want to lose

No, I can't let you goTell it to my heart

Tell me I'm the only one

Is this really love or just a game?

Tell it to my heart

I can feel my body rock

Every time you call my nameTell it to my heart

Tell me from the start

Tell it to my heart

Tell it to my heart

Tell me from the start

Tell it to my heart

Never make it stop

Oh, take it to the heartTell it to my heart

Tell me I'm the only one

Is this really love or just a game? Tell it to my heart I can feel my body rock
