

# Baby I Love U!

## Jennifer Lopez

Boy I never knew I could feel  
The way I felt, when I felt  
They way you were feelin me baby  
I'm so out of control  
Everytime you look my way  
I realize more and more  
How much I adore those pretty eyes of yours  
I'm helpless baby  
What I want to know is  
Are you willing to try  
Can you love me for a lifetime  
Or just one night ohh  
Baby I love you  
Love You  
Baby I need you  
Need You  
I gotta have you  
I gotta have you baby  
Can't be without you  
Be without youBaby I love you  
Yea  
Baby I need you  
Need You  
I gotta have you  
I gotta have you baby  
Can't be without you  
Blessed and Cursed on the same day  
The day that I first felt the power of you  
Inside of me  
Such a strong feeling  
There comes a time in everyones life  
When you know that everyone around you knows  
That everything has changed, your not the same  
Its a new day  
Oh what I wanna know is  
Are you willing to try  
Try to be more meaning to this than what meets the eyeOhh I love the way you kiss me  
Baby please  
Im about to loose my mind  
Ohh talk to me  
cuz Im beggin for you and Im down on my knees  
Baby I know your the one that I need...Baby I love you...

...You know that I need you...  
...Gotta have you...  
...Can't be without you...  
...Baby I love you...  
...You know I need you...  
...Gotta have you...  
...Can't be without you.
