Dropkick Murphys

We're all just people tryin' to get along
We're all just people tryin' to make our way
We're all just people tryin' to make it through another day
We're all just people tryin' to get along
We're all just people tryin' to make our way
We're all just people tryin' to make it through another day I'm a tinker,

I'm a tailor
I'm a soldier
I'm a sailor
I'm a doctor
I'm a lawyer
I'm a thief
I'm a drinker
I'm a thinker
I'm a hero
I'm a zero,
I'm a beggar
I'm a boss
I'm a cheat

But we're all just people tryin' to make our way
We stood in your footprints, 'till the rain washed them away
The memories never fade, well they'll still always stay
We stand here together, we bow our heads and pray
For those gone but not forgotten, we remember you each day We're all just people tryin' to get
along

We're all just people tryin' to make our way
We're all just people tryin' to make it through another day
We're all just people tryin' to get along
We're all just people tryin' to make our way
We're all just people tryin' to make it through another day

I'm a cop,
I'm a teacher
I'm a prophet
I'm a preacher
I'm a mover
I'm a shaker
I'm a con
I'm a saint
I'm a sinner
I'm a loser
I'm a winner
I'm a lover

I'm a fighter
I'm a god
But we're all just people tryin' to make our way
We stood in your footprints, 'till the rain washed
them away
The memories never fade, well they'll still always stay.
We stand here together, we bow our heads and pray
For those gone but not forgotten, we remember you each day
Oh, we lost our innocence today
Oh, on Patriot's Day
Oh, we lost our innocence today
Oh, on Patriot's Day
I'm a walker
I'm a talker
I'm a crash city rocker
I'm a stunner
I'm a runner
I'm a freak
But we're all just people tryin' to make our way
Oh, we lost our innocence today
Oh, on Patriot's Day
Oh, we lost our innocence today
Oh, on Patriot's Day
On Patriot's Day
On Patriot's Day
