

# Baby

## Beach House

Baby's having such fun  
Baby thinks he's the one  
One and only exception  
He'll go down the rest of them April comes for one more May  
The floor is swept, the clothes are put away  
That's a day Have you heard news?  
Baby had to choose  
Now he's on the wall  
Can you make a judgement call?  
April comes for one more May  
The floor is swept, the clothes are put away  
And that's a day
