Whatever you wanna, Lemme break it down like this

You gotta body that I can't resist

And there's so many things that I wanna see, Plus a few things that I wanna teach

Yeah, yeah, I wanna take you home, Are you coming?

Get right to the point with my lovin' Yeah

You learnin' something new for the night

I can do you right, yeah

I can change your life So tell me, tell me what's it gon be

Baby are you coming, coming home with me, Lady It's whatever you like

Yeah yeah, Girl you wanna leave

That ain't nothin but a word to me

Me and you can get up in them sheets, That's sex 101 baby, yeah

And if you wanna leave.Show you things that you've never seen

(Love Love yeah)Uh, lay ya down on the bed flat, Get'cha like I ain't know it was like that

Bite you near your neck.Don't be scared to bite back

Once I get you wet know you can't fight that, Soaking in the sheets hope you got another set

Cos when I'm done guarantee we gon leave a mess, Rubbing on my tatts put this ice on your
chest

Sex all night one on one no stress.Uh, get you high when I'm going low

Got the heavy metal shit no rock n roll

Roll you over now I'm licking in your ear lobe
Got that nice and slow, like usher though, Most women they tempt me to move fast
But Imma make the time stretch like gym class
Bet you never had, keep you coming back to back, to back, to back
You should know, Girl I really wanna test your body, Got so many questions
And you ain't even needa ask nobody
I'll teach you the lesson yeah
Touch me here, touch you there, Kiss me here, anywhere
Feel so right, can't go wrong, all night long
Sex 101, sex 101, s-sex 101, Sex 101, sex 101, s-sex 101(Ooh lady lay it on me oh)Girl you
wanna leave, That ain't nothin but a word to me
Me and you can get up in them sheets
That's sex 101 baby, yeah
And if you wanna leave, Show you things that you've never seen
Do things that you won't believe. That's sex 101 baby, baby, yeah
Sex 101, its one on one, Sex 101, its one on one
Sex 101, its one on one(Love Love yeah)
We can do it, We can do it all night
We can do it, We can do it all night
Yeah, all night yeah
