

# Boyfriend

Selena Gomez

I want a boyfriend  
But I just keep hitting dead ends  
Try to take a shortcut, but I get cut  
Again and again  
I want a boyfriend  
Tell me, are there any good ones left?  
I keep finding wrong ones, but I want love  
Again and again  
I want a boyfriend I been up all night  
Pretty restlessly  
Think I might know why  
(Uh)  
I've been doing just fine  
But baby, I don't mean  
That I'm feeling anti you and me  
There's a difference between a want and a need  
Some nights I just want more than me  
I know that there's a fine line between  
It's not what I need, but  
(Yeah) I want a boyfriend  
But I just keep hitting dead ends  
Try to take a shortcut, but I get cut  
Again and again  
(Yeah)  
I want a boyfriend (Uh-huh)  
Tell me, are there any good ones left?  
I keep finding wrong ones, but I want love  
Again and again I want a boyfriend  
I want a boyfriend  
I could phone a friend, use a hotline or something  
But that won't get the job done  
(Uh-huh)  
'Cause every time I try  
Every time they lie (Uh-huh)  
I get a little anti you and me There's a difference between a want and a need  
Some nights I just want more than me  
I know that there's a fine line between  
It's not what I need, but  
(Ooh-ooh) I want a boyfriend  
But I just keep hitting dead ends  
Try to take a shortcut, but I get cut  
Again and again

(Yeah)  
I want a boyfriend (Uh-huh)  
Tell me, are there any good ones left?  
I keep finding wrong ones, but I want love  
Again and again I want a boyfriend  
I want a boyfriend (I want a)  
(Yeah)  
I want a boyfriend  
(Yeah)  
(I want a)
