

# Happy

## Never Shout Never

You make me happy, whether you know it or not  
We should be happy, that's what I said from the start  
I am so happy, knowing you are the one  
That I want for the rest of my days  
For the rest of my days  
You're all of my days. You're lookin' so cool, you're lookin' so fly  
I can't deny that when I'm staring  
You down, right dead in the eye  
I wanna try to be the person you want  
The person you need  
It's hard to conceive  
That somebody like you could be with  
Someone like me  
I'm happy knowing that you are mine  
The grass is greener on the other si-ide  
The more I think, the more I wish  
That we could lay here for hours, and just-a reminisce  
Uh Ooo Oooo You're lookin' so fresh  
It's catching my eye  
Why, oh why, did I not see this before,  
The girl I adore was right in front of me?  
And now I'll take a step back and look in your eye  
And ask why it took so long to see  
We're meant to be I'm happy knowing that you are mine  
The grass is greener on the other si-ide  
The more I think, the more I wish  
That we could lay here for hours and just-a reminisce  
On the good, the bad, the ugly  
The smiles, the laughs, the funny,  
Or all the things we put each other through  
It's for you, for you, for you. You make me happy, whether you know it or not  
We should be happy, that's what I said from the start  
I am so happy, knowing you are the one  
That I want for the rest of my days  
For the rest of my days  
I'm happy knowing that you are mine  
The grass is greener on the other si-ide  
The more I think, the more I wish  
That we could lay here for hours and just-a reminisce.  
Uh Ooo Ooo
