

Slip Slidin' Away

Paul Simon

Slip slidin' away
Slip slidin' away
You know the nearer your destination
The more you're slip slidin' away I know a man
He came from my home town
He wore his passion for his woman
Like a thorny crown
He said Delores
I live in fear
My love for you's so overpowering
I'm afraid that I will disappear
Slip slidin' away
Slip slidin' away
You know the nearer your destination
The more you're slip slidin' away And I know a woman
Became a wife
These are the very words she uses
To describe her life
She said a good day
Ain't got no rain
She said a bad day's when I lie in bed
And think of things that might have been Slip slidin' away
Slip slidin' away
You know the nearer your destination
The more you're slip slidin' away
And I know a father
Who had a son
He longed to tell him all the reasons
For the things he'd done
He came a long way
Just to explain
He kissed his boy as he lay sleeping
Then he turned around and headed home again He's slip slidin'
Slip slidin' away
You know the nearer your destination
The more you're slip slidin' away And God only knows
God makes his plan
The information's unavailable
To the mortal man
We're workin' our jobs
Collect our pay
Believe we're gliding down the highway

When in fact we're slip slidin' awaySlip slidin' away
Slip slidin' away
You know the nearer your destination
The more you're slip slidin' awaySlip slidin' away
Slip slidin' away
You know the nearer your destination
The more you're slip slidin' away
Mmm
