Slip Slidin' Away

Paul Simon

Slip slidin' away Slip slidin' away You know the nearer your destination The more you're slip slidin' awayI know a man He came from my home town He wore his passion for his woman Like a thorny crown He said Delores I live in fear My love for you's so overpowering I'm afraid that I will disappear Slip slidin' away Slip slidin' away You know the nearer your destination The more you're slip slidin' awayAnd I know a woman Became a wife These are the very words she uses To describe her life She said a good day Ain't got no rain She said a bad day's when I lie in bed And think of things that might have beenSlip slidin' away Slip slidin' away You know the nearer your destination The more you're slip slidin' away And I know a father Who had a son He longed to tell him all the reasons For the things he'd done He came a long way Just to explain He kissed his boy as he lay sleeping Then he turned around and headed home againHe's slip slidin' Slip slidin' away You know the nearer your destination The more you're slip slidin' awayAnd God only knows God makes his plan The information's unavailable To the mortal man We're workin' our jobs Collect our pay Believe we're gliding down the highway

When in fact we're slip slidin' awaySlip slidin' away Slip slidin' away You know the nearer your destination The more you're slip slidin' awaySlip slidin' away Slip slidin' away You know the nearer your destination The more you're slip slidin' away Mmm Song Discussions is protected by U.S. Patent 9401941.
