

# From Afar

Vance Joy

They told me boy look the other way,  
told me boy bite your tongue.  
Cause that's not the way,  
yeah that's not the way,  
aww, that's just not the way that friends behave.  
Aww, that's just not the way that friends behave. Oh no, no, no, no, no, no, no.  
You light me up across the room.  
Two falling sparks, one willing fool.  
And I, I always knew that I would love you from afar.  
They told me boy look the other way,  
told me boy hide those hands.  
Well I 've been living on the crumbs of your love  
and I'm starving now.  
And that is just the way that we remain.  
Oh that will be the way that we remain. Oh no, no, no, no, no, no, no.  
You light me up across the room.  
Two falling sparks, one willing fool.  
And I, I always knew that I would love you from afar.  
You light me up across the room.  
Two falling sparks, one willing fool.  
And I, I always knew that I would love you from afar. Ooooooooooooooooooooooh. It shouldn't  
come as a surprise, what I'm feeling, what I'm feeling now.  
It shouldn't come as a surprise, she's got darling hazel eyes. Ooooooooooooooooooooooh.  
It shouldn't come as a surprise, what I'm feeling, what I'm feeling now.  
It shouldn't come as a surprise, what I'm feeling, what I'm feeling now.  
It shouldn't come as a surprise, what I'm feeling, what I'm feeling now.  
It shouldn't come as a surprise, what I'm feeling, what I'm feeling now.
