Nah, you don't know me  
Lightning above and a fire below me  
You cannot catch me, cannot hold me  
You cannot stop much less control me  
When it rains it pours  
When the floodgates open, brace your shores  
That pressure don't care when it breaks your doors  
Say it's all you can take  
Better take some more  
Cause I know what it's like to test fate  
Had my shoulders pressed with that weight  
Stood up strong in spite of that hate  
Night gets darkest right before dawn  
What don't kill you makes you more strong  
And I been waiting for it so long  
The nights go on  
Waiting for a light that never comes  
I chase the sun  
Waiting for a light that never comes  
Oh oh oh Oh oh oh Oh oh oh  
Waiting for a light that never comes  
When I was young, they told me, they said  
Make your bed, you lie in that bed  
A king can only reign 'til instead  
There comes that day it's 'off with his head'  
Night gets darkest right before dawn  
What don't kill you makes you more strong  
You'll have my mercy, then when you're gone  
The nights go on  
Waiting for a light that never comes  
I chase the sun  
Waiting for a light that never comes  
Oh oh oh Oh oh oh Oh oh oh  
Waiting for a light that never comes  
And I told them: 'nah you don't know me'  
Lightning above and a fire below me  
You cannot catch me, cannot hold me  
You cannot stop much less control me  
When it rains it pours  
When the floodgates open, brace your shores  
That pressure don't care when it breaks your doors  
Say it's all you can take  
Better take some more  
Oh oh oh Oh oh oh Oh oh oh  
Waiting for a light that never comes  
The nights go on  
Waiting for a light that never comes  
I chase the sun  
Waiting for a light that never comes  
Oh oh oh Oh oh oh Oh oh oh  
Waiting for a light that never comes
