

Wasn't Gonna Drink Tonight

American Young

I was gonna bet a buck or two
On a couple games o' pool
Maybe pull out some trick shots
I was gonna hang with some friends
Catch up on how they've been
Then I saw you
No, I wasn't gonna drink tonight
I didn't wanna see your eyes
Just here for a good time
No, I wasn't gonna wanna fight
Bustin' up my knuckles on my truck
No I, I wasn't gonna drink tonight
Now I, I wasn't gonna shoot this jack
I wasn't gonna end up back
Where you can burn me
I, I wasn't gonna be this fool
Actin' crazy over you
No, I wasn't gonna drink tonight
I didn't wanna see your eyes
Just here for a good time
No, I wasn't gonna wanna fight
Bustin' up my knuckles on my truck
No I, I wasn't gonna drink tonight
If you only broke my heart
Seein' you would be easy
But you tore it all to pieces
I wasn't gonna feel, wasn't gonna deal
Didn't wanna mess with this
Thought I'd did my best with this
All the lyin' and trying and wonderin' why
And I thought I was done with this
No, I wasn't gonna drink tonight
I didn't wanna see your eyes
Just here for a good time
No, I wasn't gonna wanna fight
Bustin' up my knuckles on my truck
No I, I wasn't gonna drink tonight
