

# On My Mind

Jorja Smith & Preditah

Mind, mind, you think I would  
Mind, you think I would, mind  
Mind, you think I would mind  
Oh, you think I, oh, my mind  
Mind, mind, you think I would  
Mind, you think I would, mind  
Mind, you think I would mind  
Oh, you think I, oh, my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
On my mind, on my mind  
Mind, mind, mind, mind  
Why on earth would I leave  
If you were everything I wanted you to be?  
When I saw what you did, who you were with  
Got me questionin' the things that I believe  
So I ask myself, do I let you go?  
Or do I keep you in the frame of my mind?  
Now I'm growing wise to your sugar-coated lies  
Nothing's sweet about my misery, yeah  
I finally found what went wrong  
You think I would mind  
Oh, you think I, oh  
I finally found the wrong in you  
You think I would mind  
Oh, you think I, oh  
I finally found what went wrong  
You think I would mind  
Oh, you think I, oh  
I finally found the wrong in you  
You think I would mind  
Oh, you think I, oh  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
On my mind, on my mind  
Mind, mind, mind  
You again, why'd you call?  
I don't need to hear you cryin' out my name

Unlike before when you and I laid eye to eye  
Now it's time for you to taste the bitter end  
So I ask myself, do I let you go?  
Or do I keep you in the frame of my mind?  
Now I'm growing wise to your sugar-coated lies  
Nothing's sweet about my misery, yeah  
I finally found what went wrong  
You think I would mind  
Oh, you think I, oh  
I finally found the wrong in you  
You think I would mind  
Oh, you think I, oh  
I finally found what went wrong  
You think I would mind  
Oh, you think I, oh  
I finally found the wrong in you  
You think I would mind  
Oh, you think I, oh  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
Don't want to feel you  
Don't want you on my mind  
On my mind, on my mind  
Mind, mind, mind  
Preditah
