Do you hear me baby?(1) Craving your body all through the night Feels like I'm goin through withdrawls I wanna hold you I'll hold you inside of these arms Dying to taste you, I can't deny Can't get it out my mind Please let me hold you Cause I need your loving tonight Whenever I'm near you My love just comes down Whenever I see you I just want you around(oh usher does) Cause I wanna feel you All through the day and the night(oh baby) Whenever I'm near you It feels like bedtime(oh oh)(2) Constantly thinking of things to do Places where we can make love Cause, I wanna freak you I'll freak you where ever you want Placing my kisses all over you Caressing you so nice and slow Oh how I want you Girl, there's something I want you to know Whenever I'm near you My love just comes down(yeah) Whenever I see you I just want you around (I just want it baby, I just want it baby) Cause I wanna feel you All through the day and the night Whenever I'm near you It feels like bedtimeDo you get lonely? (Do I get lonely?) Thinking about me? (Thinking about you, yeah?) Am I the only? Girl I dream of love, think of it oohh yeah Are you into me? Are you mine for me?

Say you can't go a day without me.

Girl I love you, and I want you

And I need you, I need you, yeah(until the end)

Whenever I'm near you

My love just comes down(my love my love my love just comes down)

Whenever I see you

I just want you around(girl I want you I want you)
Cause I wanna feel you(feel you all through the day and the night)

All through the day and the night Whenever I'm near you

It feels like bedtime
