

# Liability

Lorde

One, twoBaby really hurt me  
Crying in the taxi  
He don't wanna know me  
Says he made the big mistake of dancing in my storm  
Says it was poison  
So I guess I'll go home  
Into the arms of the girl that I love  
The only love I haven't screwed up  
She's so hard to please  
But she's a forest fire  
I do my best to meet her demands  
Play at romance, we slow dance  
In the living room, but all that a stranger would see  
Is one girl swaying alone  
Stroking her cheek  
They say, "You're a little much for me  
You're a liability  
You're a little much for me"  
So they pull back, make other plans  
I understand, I'm a liability  
Get you wild, make you leave  
I'm a little much for  
E-a-na-na-na, everyoneThe truth is I am a toy  
That people enjoy  
'Til all of the tricks don't work anymore  
And then they are bored of me  
I know that it's exciting  
Running through the night, but  
Every perfect summer's  
Eating me alive until you're gone  
Better on my own  
They say, "You're a little much for me  
You're a liability  
You're a little much for me"  
So they pull back, make other plans  
I understand, I'm a liability  
Get you wild, make you leave  
I'm a little much for  
E-a-na-na-na, everyoneThey're gonna watch me  
Disappear into the sun  
You're all gonna watch me

Disappear into the sun
