

Dancing With the Devil

[NIKI](#)

Wide awake at 2 A.M
Think I'm losin who I am
Why you keep on choosin' them
When all I'm tryna do is make sure you got
a nice bed and welcoming arms to come home to
But time and time and time again
You're only here every now and then
When's it gonna end? People say I'm all the kinds of crazy 'cause I'm crazy for you
They say, "How you love a ghost you can't touch?"
They ain't wrong but, I just love you too much
So go and call a GP
Baby say I'm too freaky
Oh my god, I'm so gone
I'm dancing with the devil with my high heels on, on
Unapologetic 'bout it
'Cause the lovin' so good, though I know baby's no good
Yeah the lovin' so good, if I could stop it, I would
Yea the lovin' so good 'cause we up to no good
But the lovin' so good
