

Best Days of Your Life

[Kellie Pickler](#)

I'll be there in the back of your mind
From the day we met till u making me cry
And it's just too bad you've already had
The best days, the best days of your life Ain't it a shame?
A shame that every time you hear my name
Brought up in a casual conversation
You can't think straight And ain't it sad?
You can't forget about what we had
So take a look at her and do you like what you see
Or do you wish it was me I'll be there in the back of your mind
From the day we met to the very last night
And it's just too bad you've already had
The best days, the best days of your life
And does she know?
Know about the times you used to hold me
Wrap me in your arms and how you told me
I'd be the only one I heard about
Yeah someone told me once when you were out
She went a little crazy, ran her mouth about me
Ain't jealousy funny I'll be there in the back of your mind
From the day we met to the very last night
And it's just too bad you've already had
The best days, the best days of your
Life with me was a fairy tale love
I was head over heels 'til you threw away us
And it's just too bad you've already had
The best days, the best days of your life
I heard you're gonna get married
Have a nice little family
Live out my dreams with someone new
But I've been told that a cheater
Is always a cheater
I've got my pride and she's got you I'll be there in the back of your mind
From the day we met 'til you were making me cry
And it's just too bad you've already had
The best days, the best days of your life
Of your life
Oh oh yeah
