Sean Garrett

[feat. Rick Ross]

I told y'all niggas i was back in this bitch

No sweat a muthafucka be there

Shorty got ass, hittin' that front door

She ain't workin for the cash, shawty looking for the come up.

Shorty got ass, hittin' that front door

She ain't workin for the cash, shawty looking for the come up.

RICK ROSS V1

I'm the DON, she the bomb

He the pimp, that's sean

Where ya man?

He home, that's nice

We grown, where ya phone

That's mine, I bite (dog panting, dog panting)
