Come a Little Closer

Dierks Bentley

Come a little closer baby I feel like layin' you down On a bed of sweet surrender Where we can work it all outThere ain't nothin' that love can't fix Girl it's right here at our fingertips So come a little closer baby I feel like layin' you downCome a little closer baby I feel like lettin' go Of everything that stands between us And the love we used to know I wanna touch you like a cleansin' rain And let it wash all the hurt away So come a little closer baby I feel like lettin' goIf there's still a chance then take my hand And we'll steal away Off into the night, until we make things right The sun's gonna rise, on a better dayCome a little closer baby I feel like strippin' it down Back to the basics of you and me And what makes the world go? roundEvery inch of you against my skin I wanna be stronger than we've ever been So come a little closer baby I feel like strippin' it down Come a little closer baby Just a little bit closer baby Come a little closer baby I feel like layin' you downblazingeorge@gmail.com :) Song Discussions is protected by U.S. Patent 9401941.
