Now bust it Ow wah

When I was a young boy
While about at the edge of fire, I think
I had a certain kinda problem
People along the vocal line
Now I'm a man I made 21
You now baby, we'll have a whole lot of fun
Cause I'm a man, spendin'
Hey, child little boy
Guess where I am
Amm a...Dididdy diddy...Hey
All you pretty woman
Standin' around
I'll make love to you
All this time
I'm not sure
You'll never miss
The way I make love
Miss Harris Cause I'm a man
I swear I'm the only
Oh me
Little child, now
Oh me
Little child
Anna na na na Doo doo doo doody...Whoo Uh uh an uh uhha...
'Cause I'm a man

Yeah baby Yeah
I'm goin' down south
To Kansas too
I'm going to bring back my second cousin, little John, we call him Blue

'Cause I'm a man
