

Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me

Blanket me So I try to shed you  
It's not that easy Cause you're my blanket  
You're my skin  
You're everything within  
You're my guardian  
I'm your sail  
A boat in your harbor  
Gone under  
Capsized  
And sinking Blanket me  
Blanket me  
Blanket me  
Blanket me  
Blanket me
