

# That Boi

## Cherish

Ooh, I'm liking your style  
I like the way you move it's driving me wild, yes  
Yeah, so shake it, break it, pop it  
Push it, roll it let you check up on it Ooh, I wanna roll with you  
So baby, what you gon' do?  
I'm feeling you, feeling you Ooh, I'm goin' to keep it real  
Baby boi, I'm just gon' tell you how I feel  
I like the way you lick your lips  
And move my hips when I'm on you I got what you need  
Fulfill your fantasies  
Yes, I got the remedy  
And baby boi it's me, it's me  
That boi is driving me insane  
I can't explain why I want that boi  
Ooh wee, he's fine  
(That boi)  
Gotta make him mind  
(That boi)  
Lost for words now  
(That boi)  
Da, da, da, da That boi is driving me insane  
I can't explain why I want that boi
