

# Don't Drag Me Down

## Social Distortion

Children are taught to hate  
Parents just couldn't wait  
Some are rich and some are poor  
Others will just suffer more  
Have you ever been ashamed  
And felt society try to keep you down?  
I begin to watch things change  
And see them turn around  
Turn around  
They'll try to keep you down  
Turn around, turn around  
Don't drag me down  
Ignorance like a gun in hand  
Reach out to the promised land  
Your history books are full of lies  
Media-blitz gonna dry your eyes  
Have you ever been afraid  
And felt society try to keep you down?  
I begin to watch things change  
And see them turn around  
Turn around  
They'll try to keep you down  
Turn around, turn around  
Don't drag me down  
Ignorance like a gun in hand  
Reach out to the promised land  
Your history books are full of lies  
Media-blitz gonna dry your eyes  
You're eighteen, wanna be a man  
Your granddaddy's in the Ku Klux Klan  
Taking two steps forward and four steps back  
Gonna go to the White House and paint it black  
Turn around  
They'll try to keep you down  
Turn around  
Turn around  
They'll try to keep you down  
Turn around  
Don't drag me down
