

# Trash Tongue Talker

Jack White

I got no truck with your, woman  
Always comin' over when I ain't home  
You hand a buck to me baby  
Tried your luck, you tried to get in my song  
Oh well your mama was a bastard  
Had your plastered face all over the scene  
You got hassled by your daddy  
Always pushing trying to make you come clean  
You broke your tounge talking trash  
Now you're tryin' to bring your garbage to me  
I got some words for your ass  
You better find somebody else up the street  
Two monkeys jumping on a bed  
And one fell off and hit his head on the ground  
The other monkey called the doctor  
Said "another body dead on the ground"  
I got no truck with your, woman  
Always comin' over when I ain't home  
You hand a buck to me baby  
Tried your luck, you tried to get in my song  
Oh well your mama was a bastard  
Had your plastered face all over the scene  
You got hassled by your daddy  
Always pushing trying to make you come clean  
You broke your tounge talking trash  
Now you're tryin' to bring your garbage to me  
I got some words for your ass  
You better find somebody else up the street  
You broke your tounge talking trash  
Now you're tryin' to bring your garbage to me  
I got some words for your ass  
You better find somebody else up the street  
Two monkeys jumping on a bed  
And one fell off and hit his head on the ground  
The other monkey called the doctor  
Said "another body dead on the ground"
