

# in my head

## Ariana Grande

[Intro: Doug Middlebrook]

Here's the thing: you're in love with a version of a person that you've created in your head, that you are trying to but cannot fix. Uh, the only thing you can fix is yourself. I love you, this has gone on way too long. Enough is enough. I'm two blocks away; I'm coming over[Verse 1:

Ariana Grande]

Painted a picture; I thought I knew you well

I got a habit of seeing what isn't there

Caught in the moment, tangled up in your sheets

When you broke my heart, I said you only wanted half of me[Pre-Chorus: Ariana Grande]

My imagination's too creative

They see demon, I see angel, angel, angel

Without the halo, wingless angel

[Chorus: Ariana Grande]

Falling, falling, but I never thought you'd leave me

Falling, falling, needed something to believe in, oh

I thought that you were the one

But it was all in my head

It was all in my head (Skrrt, skrrt)[Post-Chorus: Ariana Grande]

Yeah, look at you, boy, I invented you

Your Gucci tennis shoes, runnin' from your issues

Cardio good for the heart (For the heart, for the heart)

I figure we can work it out, hmm[Verse 2: Ariana Grande]

Painted a picture; I thought I drew you well

I had a vision of seeing what isn't there

Caught in the moment, tangled up in your sheets

When you broke my heart, said you only wanted half of me

[Pre-Chorus: Ariana Grande]

My imagination's too creative

They see Cain and I see Abel (Abel), Abel (Abel), Abel

I know you're able, willing and able[Chorus: Ariana Grande]

Falling, falling, but I thought that you would need me

Falling, falling, needed something to believe in, oh

I thought that you were the one

But it was all in my headIt was all in my head (Skrrt, skrrt)

[Post-Chorus: Ariana Grande]

Yeah, look at you, boy, I invented you

Your Gucci tennis shoes, runnin' from your issues

Cardio good for the heart (For the heart, for the heart)

I figure we can work it out, hmm[Bridge: Ariana Grande]

Wanted you to grow, but, boy, you wasn't budding

Everything you are made you everything you aren't

I saw your potential without seein' credentials

Maybe that's the issue (Yeah, yeah)  
Said maybe that's the issue, ah  
Can't hold that shit against you, ah  
Yes, I did it to myself, yeah  
Thought you were somebody else, you [Outro]  
Thought you were somebody else, you (You)  
Thought you were somebody else, you
