

# Bad Bitch (feat. T.I., Spodee & Problem)

## Young Dro

Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house  
Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do is shut her damn mouth  
Suck a man dick and clean the damn house So you wanna a new car, and a new crib  
Watch her friend, ooh, now she know where you live  
Well all you gotta do to get it, support your man and mind your motherfucking business  
Don't get me wrong lady you deserve equal rights  
My mortgage fifty grand, give me twenty five, that car I drive two twenty five's  
So I deserve to get some head when you get inside  
If you like it going buy it I don't care about it  
But remember everything ain't for everybody  
You got problem shawty I don't wanna hear about it  
When I had a problem I had to go do two years bout it  
Hey you should get off your ass and become a college grad  
Ask what I already had, you deserve that  
Otherwise sweetie pie try them other guys  
Better find about a bad bitch before I find something fly  
Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house  
Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house Girl make room for a nigga that's on his way  
Appreciate the real and know a nigga ain't for that play  
Yeah I mention together like clay  
We got me north at the bay, yelling out ye, never a ye  
Hey you all I can tell it, like y'all taking the plea  
Stay with the G's and I ain't talking thugs ho  
Keep pussy flowing like tug boat  
Your money funny and I love jokes  
Girls cum fast when I lick slow  
And I'm so with that damn shit  
Ho better give me a damn show, Before I pull out in these bands bitch  
Clean up one with a bad bitch  
I land this, Diamond lane is my crew though  
At the shows all these hoes love piling up in my tudo

Taking the shots like Cuzco, from the trizact so her crew know  
But if your ho ain't bragging then your dick is credo  
Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house  
Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house  
Hold up, beat it, shut that damn mouth hurry up and  
clean this damn house  
Ain't even need to pay rent but you still talking shit  
I'ma about to going, hell no  
All this Louie how could you be mad, ain't gotta do shit but stand up and be bad  
Now give her a pink hair plus twenty five for the pad, what if I say I need head?  
Would you be able to do a nigga that little favor?  
Quarter million green cash  
I'ma bust that I need that nut all I need is you in the kitchen  
To put crock legs in the pot  
Drop me and give me head on the spot  
And if you let me cum in your mouth you get a twenty grand knot  
Full caliente hot all this money in the back, bitch all that I got  
Got plenty money all I need is a  
bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house  
Got plenty money all I need is a bad bitch  
She ain't gotta have a dime, make her ass rich  
And all she gotta do its shut her damn mouth  
Suck a man dick and clean the damn house
