

Ussy Ussy

Mostack

You keep the ussy, ussy exclusive
You keep the ussy, ussy exclusive
You see you You been my baby since day one
They been getting jealous since day two
Link up when your day's three
And let me tell you why I rate you
You keep the ussy, ussy exclusive
Oh you nah rass it to anyone
Oh you nah pass it to anyone
Oh you're not giving up to anyone (Dally!)
I am kicksting on a Monday
Chilling back on a Tuesday
Next day I with my Woman Crush Wednesday
But I should turn her to my Throwback Thursday (Why?)
Cause she's always moaning about my Friday
But my Saturdays are a next ting
Sunday I was stressing
Cause I heard my own G got arrested
She hate it when I'm on the block, block
Dem-a pree me, pree me, dem-a wanna war watch
My gyal looking like a fucking top notch
When she back it up, back it up it's a fucking lot, lot, lot-lot
I'm scared of mice and spiders
But I ain't scared of your main team's riders
Hotel room, with mamacita
I feel sorry for the cleaner
You been my baby since day one
They been getting jealous since day two
Link up when your day's three
And let me tell you why I rate you
You keep the ussy, ussy exclusive
Oh you nah rass it to anyone
Oh you nah pass it to anyone
Oh you're not giving up to anyone So sexy, I had to show my friends them pics
Make me wipe my lens and shit
I'mma grab her friends then dip
Cah we don't get girls on the ends like this
In the ends like this
No, we don't get girls in the ends like this
Make a nigga wipe his lens and shit Are u nah rass to anyone
Are u nah pass it to anyone
You not giving up to anyone

You keep the ussy, ussy exclusive
Are nah not pass to anyone
Are u nah not pass it to anyone
You not giving up to anyone
You keep the ussy, ussy exclusive
Oh man My baby hate it when I'm on the block, block
Dem-a pree me, dem-a wanna war watch
My gyal looking like a top notch
Said she like the way that I jiggy bop
My baby hate it when I'm on the block, block
Dem-a pree me, dem-a wanna war watch
My girl looking like a top notch
You keep the ussy, ussy exclusive
Said she like the way that I jiggy bop, jiggy bop
She said she like the way that I jiggy bop
You keep the ussy, ussy exclusive
My baby hate it when I'm on the block
You keep the ussy, ussy exclusive
Ussy, ussy exclusive
