

# All in My Head

Tori Kelly

I see you with her, and it crushes me inside  
I guess I should stop thinkin' about you all the time  
Maybe this is what I needed  
Maybe this is a sign  
Maybe I've been blind to reality, baby tell me...  
Every little glance my way, everytime you wanted to hang  
You seemed so interested. Could you tell me Was it real or was it all in my head?  
Was it real or was it all in my head?  
She's so pretty, you two look so great  
Time for me to move on now  
It was probably just a silly crush anyway  
But I just can't help but think  
That we, we could have had something  
Have I really been blind to reality? Baby tell me...  
Every little glance my way, every time you wanted to hang  
You seemed so interested. Could you tell me  
Was it real or was it all in my head?  
Was it real or was it all in my head?  
Was it real or was it fake?  
Was it all a mistake?  
Boy, I just gotta know was it all in my head? All in my head?  
Did you ever feel the same?  
Was my mind just playing games?  
Boy I just gotta know was it all in my head? All in my head...  
Every little glance my way, everytime you wanted to hang  
You seemed so interested. Could you tell me  
Was it real or was it all in my head?  
Was it real or was it all in my head?
