## **Never Say Goodbye**

## **Bon Jovi**

As I sit in this smokey room
The night about to end
I pass my time with strangers
But this bottle's my only friend
Remember when we used to park
On Butler Street out in the dark
Remember when we lost the keys

And you lost more than that in my backseatRemember when we used to talk About busting out - we'd break their hearts

Together - forever

Never say goodbye, never say goodbye

You and me and my old friends

Hoping it would never end

Never say goodbye, never say goodbye

Holdin' on - we got to try

Holdin' on to never say goodbye

Remember days of skipping school

Racing cars and being cool

With a six pack and the radio

We didn't need no place to go

Remember at the prom that night

You and me we had a fight

But the band they played our favorite song

And I held you in my arms so strongWe danced so close

We danced so slow

And I swore I'd never let you go

Together - forever

Never say goodbye, never say goodbye

You and me and my old friends

Hoping it would never end

Never say goodbye, never say goodbye

Holdin' on - we got to try

Holdin' on to never say goodbye

I guess you'd say we used to talk

About busting out

We'd break their hearts

Together - forever
